SMC Education Services, 830 Washington St., Watertown, NY 13601. Copies of this form are acceptable.

**AMERICAN HEART ASSOCIATION
PEDIATRIC EMERGENCY ASSESSMENT RECOGNITION AND STABILIZATION COURSE 2018**

Course Description: Pediatric Emergency Assessment, Recognition and Stabilization (PEARS) is a new intermediate course for credentialed healthcare providers who infrequently see critically ill children. It is designed to enhance basic pediatric life support knowledge to prepare the learner to initiate and manage the first few minutes of a pediatric arrest or prevent the arrest of a pediatric victim at risk of severe cardiopulmonary distress.

Successful completion of PEARS consists of adequate performance in the following areas:

- Pediatric Basic Life Support (Infant and Child CPR including AED)
- Active participation in the skills learning stations as a team member
 - Recognition and Treatment of Respiratory Failure
 - Recognition and Treatment of Cardiac Distress
 - Recognition and Treatment of Shock
- Obtaining a minimum score of 84% on the video-based written test

It cannot be emphasized enough that for maximum benefit and the greatest success in this course participants should be well prepared:

- Per AHA, each participant must have access to the PEARS provider manual before, during and after the class.
- There will be manuals on reserve for Samaritan employees in the SMC library.

Class size is six (6) participants minimum, twelve (12) participants maximum. Register early to assure your seat in the class.

COURSE DATES:	March 02, 2018	November 08, 2018
----------------------	----------------	-------------------

COURSE FEES:

SMC Employees & Medical Staff	Non-Employee Charge	Books
*\$50.00 Deposit	\$150.00 (Includes Books)	Provider Manual \$35.00

***Employees must reserve their seat in class with a \$50.00 deposit, which will be refunded upon attending the class. The deposit is not transferable to another class without prior approval.**

The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS, PALS and PEARS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association, and any fees charged for such a course do not represent income to the Association.

If you are unable to attend for any reason, please notify Education Services at 785-4036 ASAP so that your seat may be given to another individual. **A minimum of 10 days' notice is required for a refund.** An administrative fee of \$50.00 may be charged for cancellations.

All courses will be held in Conference Room 2C and 2D on 2 Pratt from 8:00 am to 4:30 pm, unless otherwise noted. If you require further information, please call SMC Education Services at (315) 785-4036.
