

Dear Patient:

WELCOME to the Rehabilitation Services Department at Samaritan Medical Center. Our department offers a comprehensive array of inpatient and outpatient services. These services include Physical Therapy, Occupational Therapy, and Speech Language Pathology. Our team of therapists are committed to providing personalized treatment programs to improve your functional mobility, self-care skills and/or communication skills.

In consideration of all our patients, our office policies are as follows:

1. Patients are scheduled by appointment.
2. Patients arriving more than ten (10) minutes late for a scheduled appointment may be asked to reschedule their appointment.
3. Outpatients who miss three appointments will be required to obtain a new prescription from their doctor before therapy services can continue.
4. Patients are expected to call the office at least twenty four (24) hours in advance to cancel or change an appointment.
- 5. Patients are responsible for verifying their own insurance coverage for therapy services prior to receiving treatment.**
- 6. Patients seeking emergency medical treatment during the course of therapy will be required to obtain a written medical release to resume therapy services.**

If you have any questions concerning our services, please discuss them with your therapist.

Thank you for choosing Samaritan Medical Center Rehabilitation Services for your therapy needs.
