Instructor Course Note: If you will be aligned with another training center, you will need documentation stating that the training center will accept you as an instructor. If you will be aligning with Samaritan, you will need to have recently completed a provider/renewal course with us so we can determine your suitability to be an instructor.

The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the AHA. Fees charged for such course do not represent income for the AHA.

If you have registered but find you are unable to attend class for any reason, please notify the Training Center Coordinator at (315)785-4575 as soon as possible. These classes are in high demand and often have a cancellation list. An administrative fee of \$50.00 will be charged for failure to attend without notification.
