## SMC Advanced Cardiac Life Support 2021

### Course Description:

These courses meet the standards of the American Heart Association for the training of providers in ACLS. The goal of these sessions is to integrate knowledge and motor skills into the development of proficiency in the techniques of ACLS. The material is covered through pre-course reading and videos, discussions, hands-on practice and case scenario simulations.

### Successful completion of the ACLS course consists of adequate performance in the following areas:

- Providing proof of successful completion of the pre-course work and pre-course self-assessment found at [www.eLearning.heart.org](http://www.eLearning.heart.org)
- Basic Life Support
- Recognition and treatment of cardiopulmonary arrest and dysrhythmias
- Appropriate use of emergency medications
- Vascular access
- Airway management
- Successful performance as a team leader in a code scenario
- Obtaining a passing score on the written examination

### Class size is limited. You must present proof of previous certification to gain access to the Renewal Class.

It cannot be emphasized enough that for the greatest success participants need to be well prepared.

- Per the AHA requirement participants must have access to the ACLS 2020 Guidelines Provider Manual before, during and after the class.

**Instructor Course Note:** If you will be aligned with another training center, you will need documentation stating that the training center will accept you as an instructor.

If you will be aligning with Samaritan, you will need to have recently completed a provider/renewal course with us so we can determine your suitability to be an instructor.

Pre-course work including completion of the on-line instructor essentials course is required. Please register early.

*The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the AHA. Fees charged for such course do not represent income for the AHA.*

If you have registered but find you are unable to attend class for any reason, please notify the Training Center Coordinator at (315)785-4575 as soon as possible. These classes are in high demand and often have a cancellation list. An administrative fee of \$50.00 will be charged for failure to attend without notification.

**All courses are held in Conference Rooms 2C and 2D on 2 Pratt from 8:00am to 4:30 pm.  
If you require further information, please call SMC Education Services at (315)785-4575**
