### **Medical Laboratory Assistant**

Clifton-Fine Hospital is looking to hire a full-time Medical Laboratory Assistant.

The Medical Laboratory Assistant will perform phlebotomy on outpatients, inpatients (acute, swing-bed, and long term care) and emergency department patients and collect specimens by following proper requirements and instructions for each laboratory test, including appropriate order of draw.

This is a full-time position 6:30 am to 2:30 pm with possible travel for home collection. Certification and/or licensure in phlebotomy is preferred but experience in phlebotomy is suitable. Excellent customer service, good oral communication, and computer literacy are also required of this position. This position also requires clerical duties such as answering phones and faxing.
