

Clifton-Fine Hospital

A SAMARITAN HEALTH PARTNER

Trusted Care. Close to Home.

Now hiring!

Clinical Laboratory Technologist - Full-time
Variable shifts, on-call availability required

Clifton-Fine Hospital is looking to hire Clinical Laboratory Technologists to perform complex chemical, biological, hematological, immunologic, microscopic, and bacteriological tests. Clinical laboratory technologists evaluate test results, develop and modify procedures, and establish and monitor programs, to ensure the accuracy of tests.

Clinical Laboratory Technologist requires a B.S. degree in the field of clinical laboratory science or equivalent as mandated by the NYSDOH and must possess current, valid NYS Clinical Laboratory Technologists License.

This position is full-time and requires on-call availability. Equal Opportunity Employer

Why work for Clifton-Fine Hospital?

As the smallest hospital in NYS, we are a 20-bed Critical Access Hospital with a 24/7 ER. We offer competitive wages and a full array of benefits including medical, dental, vision, life insurance, and retirement plans which are matched up to 3% after an employee is vested, plus many others. Tuition reimbursement is also available.

Working for us means you get to provide "Trust Care, Close to Home" and be an important part of our team and you are always more than just a number.
