

Nathanial R. Miletta, MD

826 Washington Street, Suite 100 • Watertown, NY 13601
Phone: 315-755-3670 • Fax: 315-755-3671

Education

Fellow, Cosmetic Dermatologic Surgery: Massachusetts General Hospital (2015-2016)
Resident, Dermatology: Walter Reed Natl Military Medical Center (WRNMMC) (2012-2015)
Intern, Transitional: San Antonio Military Health System (SAMHS) (2011-2012)
Doctor of Medicine: SUNY Upstate Medical University (UMU) (2007-2011)
Bachelor of Science, Biology: Northeastern University (NU) (2003-2006)

- Graduated summa cum laude with honors distinction

Professional Experience

Director, Dermatology: Samaritan Medical Center (SMC) (2021-Present)
Director, MDS Laboratory: SMC (2019-Present)
Chief, Micrographic Dermatologic Surgery (MDS): SMC (2019-2021)
Dermatology & MDS: Dermatology and Laser Center of San Antonio (DLCSA) (2018-2019)
Director, Laser Surgery and Scar Center: SAMHS (2016-2019)
Staff, Dermatologic Surgery: SAMHS (2016-2019)

Academic Appointments

Adjunct Assistant Professor, Lake Erie College of Osteopathic Medicine (2019-Present)
Adjunct Assistant Professor, Texas A&M University (2018-Present)
Assistant Professor, Dermatology: Uniformed Services University (USU) (2015-Present)
Clinical Fellow, Dermatology: Harvard Medical School (2015-2016)
Instructor, Dermatology: USU (2013-2015)

Research & Grants

Reviewer	American Society for Laser Medicine and Surgery (ASLMS) Responsibilities: Performed peer-review for research articles written on the topic of laser medicine and surgery.	(2018-2021)
Principle Investigator	Principle Investigator: Nathanial R. Miletta, MD SAMHS, San Antonio, TX Responsibilities: Conducting research studying the elasticity and extensibility of porcine tissue before and CO ₂ laser therapy.	(2017-2019)
Principle Investigator	Principle Investigator: Nathanial R. Miletta, MD SAMHS, San Antonio, TX Responsibilities: Conducting clinical research evaluating the role of microwave-based energy in residual limb hyperhidrosis.	(2017-2019)
Associate Investigator	Principle Investigator: R. Rox Anderson, MD Wellman Center for Photomedicine (WCP), Boston, MA Responsibilities: Conducted research studying the benefit of the CO ₂ laser to hypertrophic scars in burn patients.	(2015-2017)

Associate Investigator	Principle Investigator: Jason Marquart, M.D. WRNMMC, Bethesda, MD Responsibilities: Conducted a retrospective clinical study analyzing improvement in residual limb-prosthetic interface after laser hair treatment in the wounded warrior population.	(2013-2016)
Judge	Poster Session, 2015 Military Health Science Research Symposium (MHSRS), Fort Lauderdale, Florida	(2015)
Associate Investigator	Principle Investigator: Chad Hivnor, M.D. SAMHS, Dermatology Department, San Antonio, TX Responsibilities: Conducted retrospective clinical research studying various endpoints in toxic epidermal necrolysis admissions to the Burn Intensive Care Unit at the United States Army Institute of Surgical Research (ISR).	(2011-2013)
Post-Graduate Research Assistant	Principle Investigator: Robert Shprintzen, Ph.D. The International Center for Velocardial Facial Syndrome (VCFS), Syracuse, NY Responsibilities: Conducted retrospective clinical research analyzing phenotypic associations in patients with VCFS.	(2009-2011)
Undergraduate Research Assistant	Principle Investigator: Mark Hallett, M.D. National Institutes of Health (NIH) Human Motor Control Section, Bethesda, MD Responsibilities: Conducted clinical research utilizing functional magnetic resonance imaging in patients with movement disorders.	(2006-2007)
Research Grant	Provost grant for \$2500 to conduct basic science research. Funded by NU for the calendar year 2006.	(2006)
Undergraduate Research Assistant	Principle Investigator: Slava Epstein, Ph.D. NU, Microbiology Department, Boston, MA Conducted wet lab research attempting to isolate novel bacteria using diffusion chambers. Honors thesis.	(2004-2006)

Industry-Sponsored Research

Associate Investigator	Principle Investigator: Steven Davis DLCSA, San Antonio, TX Overview: A multi-center randomized, double-blind placebo and active comparator-controlled phase 3 study with randomized withdrawal and retreatment to evaluate the efficacy and safety of BMS-986165 in patients with moderate to severe psoriasis.	(2018-2019)
-------------------------------	--	--------------------

Associate Investigator	Principle Investigator: Steven Davis DLCSA, San Antonio, TX Overview: A multicenter, open label, long-term safety study of S5G4T-1 to evaluate the safety of S5G4T-1 in papulopustular rosacea patients.	(2018-2019)
Associate Investigator	Principle Investigator: Steven Davis DLCSA, San Antonio, TX Overview: A randomized, double-blind, placebo-controlled, multicenter, 24-week study to assess the efficacy and safety of PPC-06 (Tepilamide Fumarate) extended release tablets in subjects with moderate to severe plaque psoriasis.	(2018-2019)
Associate Investigator	Principle Investigator: Steven Davis DLCSA, San Antonio, TX Overview: A phase 2, multicenter, randomized, double-blind, parallel-group, placebo-controlled study of an anti-OX40 monoclonal antibody (KHK4083) in subjects with moderate to severe atopic dermatitis (AD).	(2018-2019)
Associate Investigator	Principle Investigator: Steven Davis DLCSA, San Antonio, TX Overview: A phase 3, randomized, double-blind, vehicle-controlled, multicenter study to evaluate the efficacy and safety of CLS006 versus vehicle in subjects 2 years of age or older with cutaneous common warts.	(2018-2019)
Associate Investigator	Principle Investigator: Steven Davis DLCSA, San Antonio, TX Overview: An open-label study to evaluate the long-term safety of topical administration of FMX103 for 40 weeks in the treatment of moderate to severe facial papulopustular rosacea (Study FX2016-13).	(2018-2019)
Associate Investigator	Principle Investigator: Steven Davis DLCSA, San Antonio, TX Overview: Clinical Evaluation of Safety and efficacy of intense pulsed light devices for hair reduction.	(2018-2019)

Presentations

International

Miletta NR, Kim S, Marquart J. "Improving the Quality of Life of Wounded Warriors: The Promising Benefits of Laser Hair Removal to the Residual Limb." MHSRS 2016, August 2016, Orlando, FL. Talk length: 15 minutes.

Miletta NR, Nahab F, Hallett M. Self-Agency: Identifying the Neural Network for Ownership. Poster session presented at the Movement Disorder Society International Conference, Istanbul, Turkey. June 2007.

National

Miletta NR. "Coding and Regulatory Compliance." American Society for Mohs Surgery, Micrographic Dermatologic Surgery Prep Course, Virtual Conference. June 2021. Talk length: one hour.

Miletta NR, Lee K, Siwy K, Clark J, Shofner J, Donelan M, Anderson R. "Objective improvement in burn scars after treatment with fractionated CO₂ laser." Talk given at the ASLMS, Cutaneous Applications, Boston, MA. April 2016.

Miletta NR, Ortiz A, Avram M. Treatment of Actinic Purpura Utilizing a Long-Pulsed, Frequency Doubled Nd:YAG Laser (532nm) Talk given at the ASLMS, Early Career Abstracts, Boston, MA. April 2016.

Miletta NR. Tips for Organizing and Studying for the Boards. Talk given at AAD Meeting, Washington, D.C. March 2016. Talk length: 20 minutes.

Miletta NR, Friedman M, Shprintzen R. Cognitive Development: Potential Associations of Common VCFS Phenotypes with IQ. Talk given at The VCFS Educational Foundation Annual Conference, Salt Lake City, Utah. July 2010. Talk length: 15 minutes.

Miletta NR, Nahab F, Hallett M. Detecting Deception: Identifying the Neural Network for Deception. Poster session presented at the Organization for Human Brain Mapping Conference, Chicago, Illinois. July 2007.

Regional

Miletta NR. From Port Wine to Rosé: Optimizing the Management of Capillary Malformations. Talk given at the Texas Dermatology Society (TDS) Meeting, San Antonio, TX. September 2016. Talk length: 30 minutes.

Durso T, **Miletta NR.** Carbon Dioxide Laser for the Cosmetic Treatment of Adult Nevus Sebaceus. Poster session presented at the TDS Meeting, San Antonio, TX. September 2018.

Miletta NR. The treatment of raspberry papillomas in a young girl with focal dermal hypoplasia. Scientific talk given at The Washington D.C. Dermatologic Society. WRNMMC. Bethesda, MD. December 2013.

Miletta N. A new nodule in a patient with Muir-Torre Syndrome. Abstract. Atlantic Dermatological Society. Capitol Hilton Hotel. Washington, D.C. April 2013.

Miletta NR. A new nodule in a patient with Muir-Torre Syndrome. Talk given at The Washington D.C. Dermatologic Society. WRNMMC. Bethesda, MD. November 2012.

Miletta NR and Farah R. Spontaneous Keloids in a Patient with Ehlers-Danlos Syndrome: A Case Report and Discussion. Poster session presented at the SUNY UMU Student Research Day, Syracuse, New York. April 2011.

Miletta NR, Nahab F, Hallett M. Detecting Deception: Utilizing Functional Magnetic Resonance Imaging. Poster session presented at the NIH Summer Research Program Poster Day, Bethesda, MD. June 2006.

Local

Akula S, Derbyshire M, Hulbert M, **Miletta NR.** Development of Disseminated Histoplasmosis Following Adalimumab Treatment of Hidradinitis Suppurativa. Poster presented at the SUNY Upstate Student Research Day. Syracuse, NY. 2022.

Miletta NR. Neoplasms of the Skin and Subcutaneous Tissue. Talk given at the SMC Grand Rounds. Watertown, NY. January 2021. Talk length: one hour.

Miletta NR. Vascular Lesions. Talk given at the SMC Grand Rounds. Watertown, NY. December 2019. Talk length: one hour.

Miletta NR. Perioral Scars and Microstomia: The Role of Laser Therapy. Talk given at the Texas Dental Hygienist Society. San Antonio, TX. April 2018. Talk length: one hour.

Miletta NR. The Laser Surgery and Scar Center. Talk given at the SAMHS Internal Medicine Grand Rounds, San Antonio, TX. November 2016. Talk length: one hour.

Miletta NR. The Mouth: An Often-Overlooked Site for Disorders of the Epithelium. Talk given at the Federal Dental Hygiene Symposium, Fort Sam Houston, TX. October 2016. Talk length: one hour.

Miletta NR, Anderson R. The Treatment of Burn Scars with Fractionated CO₂ Laser. Talk given at the ISR, San Antonio, TX. January 2016. Talk length: 25 minutes.

Lezanski-Gujda A, **Miletta NR**, Kentosh J. Ocular Angioid Streaks Discovered After a Blast Injury to the Face. Poster presented at the USU Research Day, Bethesda, MD. May 2015.

Schaffenburg W, **Miletta NR**, Nguyen J. A Reticulated, Erythematous Rash. Poster presented at the Sixth Annual National Capital Region Research and Innovation Competition, Bethesda, MD. April 2014.

Kim D, **Miletta NR**, Edhegard K. A Case of Pemphigus Foliaceus Masquerading as Lupus Erythematosus. Poster presented at the USU Research Day, Bethesda, MD. May 2014.

Industry

Miletta NR. The Role of the Dermatologic Surgeon in Long-Term Trauma Care. Unbranded Talk given at the Syneron-Candela Reception, San Diego, CA. February 2018. Talk length: 45 minutes.

Leadership & Committees

Director	American Society for Mohs Surgery (ASMS) Selected to serve the ASMS membership observing appropriate board governance, steering the organization's strategic direction, and helping to provide oversight and accountability.	(June 2022)
Chair	SMC Telehealth Working Group Spearheaded the formation and lead a multidisciplinary telehealth working group resulting in the rapid adoption of telehealth standard operating procedures, revenue capture, and provider education during the COVID-19 pandemic.	(March 2019)
Dermatology Representative	BAMC Department of Medicine Research Committee Developed and institutionalized research initiatives within the Department of Dermatology and reported on progress to the BAMC Research Director.	(2016-2019)
Army Delegate	American Medical Association (AMA) Young Physicians' Section (YPS) Selected to represent over 3,000 Army physicians to AMA.	(2016-2019)
AAD Representative	AMA YPS Selected to represent the interests of the AAD to AMA YPS.	(2016)
Director	Boards and Beyond Session; AAD Annual Meeting Directed two-hour lecture session educating residents on upcoming transitions to staff physician.	(2016-2019)
Resident Observer	Board of Directors; AAD As Chair of the Resident and Fellow Committee, prepared reports and participated in the AAD Board of Directors.	(2014-2016)

Chair	Resident and Fellow Committee; AAD Elected by the Resident and Fellow Committee to preside over AAD operations to support residents and fellows.	(2014-2016)
Representative	Resident and Fellow Committee; AAD Supports the interests and addresses the issues of concern to residents and fellows training in dermatology.	(2013-2016)
Delegate	AMA Residents and Fellows Section (RFS) Elected as one of 19 residents in the country to have a vote in the AMA House of Delegates (HOD).	(2013-2015)
Delegate	AAD Selected as one of two residents nationwide to represent the interests of the AAD as voting members of the AMA.	(2013-2019)
Alternate Delegate	AMA RFS Elected as one of 36 delegates to represent the interests of the RFS to the HOD.	(2013 & 2015)
Resident Liaison	American Society for Dermatologic Surgery (ASDS) Advocate for military residents at the ASDS and increase resident knowledge about surgery specific educational resources, scholarships and training opportunities.	(2013-2015)
Representative	AAD 2013 Strategic Health Care Policy Retreat Work with fellow AAD members to participate in dermatology advocacy and guiding the direction of our field.	(2013)
Army Representative	Dermatology Section Council of the AMA Provide an Army dermatologist's point of view on issues affecting military dermatology.	(2012-2019)
Army Delegate	AMA RFS Selected to represent > 1,500 Army residents to the AMA.	(2012-2016)
Transitional Intern Representative	SAMHS House Staff Council Committee Elected to represent the interests of 26 transitional interns at the SAMHS House Staff Meetings.	(2011-2012)
Undergraduate Scholar Representative	Intramural Training and Education Committee Elected to represent the interests of the 20 undergraduate scholarship program scholars.	(2006-2007)

Honors, Academic Awards, & Military Awards

- Bronze Star:** United States Army (2017)
- For meritorious service as Role II Officer-In-Charge providing care for 2300 sick call visits, 57 medical emergencies, and 177 trauma patients while deployed to Jalalabad, Afghanistan in support of Operation Freedom's Sentinel.
- General Graves B. Erskine Award:** WRNMMC (2015)
- Endowed award for the 2015 Outstanding Resident. Selected from a graduating class of over 225 physicians in training. Award: \$2500.
- Award for Scholarship Excellence:** WRNMMC Department of Dermatology (2015)
- Annual award given to the dermatology resident with the most significant academic and research achievement.
- Best Publication, Resident Award:** Association of Military Dermatologists (2015)
- Alpha Omega Alpha Honor Medical Society:** USU Chapter (2014-Present)
- Chief Resident:** WRNMMC Dermatology Department (2013)
- Sulzberger Scholarship:** USU (2013)
- Awarded for academic excellence to attend the 2013 Annual AAD meeting. Award: \$1500.
- Presidential Citation:** AAD (2013)
- Awarded for excellent service as AMA RFS Delegate for the AAD.
- Achievement Medal:** United States Army (2013)
- Organized and presented the first-annual WRNMMC Dermatologic Clinical Skills Symposium. The symposium consisted of a four-hour lecture series given to 57 internal medicine residents.
- Scholarship Recipient,** Undergraduate Scholarship Program, NIH (2007)
- Received \$20,000 award and a one-year paid internship at the NIH for students from disadvantaged backgrounds. One of 20 students selected nationwide.
- President's Award for Outstanding Scholarship,** NU (2006)
- Awarded for graduating in the top 10% of class of 3,000.

Clinical Improvement

- Melanoma Tumor Board:** WRNMMC (2013-2015)
- Developed the first-ever WRNMMC multi-disciplinary melanoma tumor board. Served as co-chair of board.

- Clinical Improvement Project: WRNMMC** (2015)
- Endowed award for the 2015 Outstanding Resident. Selected from a graduating class of over 225 physicians in training.

Community Service & Media Appearances

- Speaker – Fort Drum USO Story Time** (12 April 2021)
- Read children’s book I Want To Be a Doctor by Laurie Driscoll to 35 military dependents participating in the April USO Story Time.

- Preceptor – New Visions** (2019 – Present)
- Served as a preceptor for New Visions high school students rotating in the clinic and surgical settings.

- Morning Checkup – WNNY TV** (22 Jan 2020)
- Represented SMC on local media channel to educate the public on the dangers of acral lentiginous melanoma.

- Christmas Dinner – Samaritan Summit Village (SSV)** (Dec 2019)
- Assisted in the serving and clearing of Christmas Dinner to >100 SSV residents and their families.

- Thanksgiving Dinner – SSV** (Nov 2019)
- Assisted in the serving and clearing of Thanksgiving Dinner to >100 SSV residents and their families.

- Morning Checkup – WNNY TV** (09 Oct 2019)
- Appeared to promote the new Samaritan Dermatology clinic.

- Texas Burn Survivor Society Fundraiser** (Sep 2019)
- Utilized social media to raise funds directly given to the Texas Burn Survivor Society for a total amount of \$1000.

- Camp Discovery Fund Raiser** (March 2016)
- Oversaw and directed the development of a social media and in-person program to raise funds needed to support the attendance of children with chronic skin conditions to Camp Discovery.

- Space-Medicine Summer Academy 2014 Meeting** (Jul 2014)
- Participated in a one-day session at the WRNMMC to educate high school students aspiring to be scientists on the basics of malignancy, as well as, the clinical and histologic tools utilized to diagnose melanoma.

- Amaus Medical Services at the Cathedral: Medical Care for the Indigent** (2008-2011)
- Assisted in the delivery of health care and raised funds from the UMU Class of 2011 that was donated to support the clinic. Directly assisted in the care of > 100 patients.

Licenses & Certificates

Board-Certified , Micrographic Dermatologic Surgery, Expires 10/08/2031	(2021)
Certified , Medical Device Development Course, Harvard Catalyst	(2016)
Certified , Klein Tumescant Liposuction Course	(2016)
Board-Certified , American Board of Dermatology, Expires 7/23/2025	(2015-Present)
Medicine and Surgery , New York, #298285, Expires 1/31/2023	(2019-Present)
Medicine and Surgery , Nebraska, #26961, Expires 10/01/2022	(2012-Present)
Federal DEA Number , #FM5200364, Expires 1/31/2024	(2015-Present)
NPI Number , #1790083657	(2011-Present)
Basic Life Support , Expired 3/22/2021	(2009-2021)

Professional Organizations

Fellow , American Society for Mohs Surgery	(2021-Present)
Affiliate Member , American Society for Mohs Surgery	(2018-2021)
Member , American Academy of Cosmetic Surgery	(2016-Present)
Member , American Society for Laser Medicine and Surgery	(2013-Present)
Member , Association of Military Dermatologists	(2012-Present)
Fellow , American Academy of Dermatology	(2012-Present)
Member , American Society for Dermatologic Surgery	(2012-Present)
Member , American Medical Association	(2011-Present)
