

Celebrate "A Winter Wonderland" at
A North Country Festival of Trees!
We are thrilled to return to the
Dulles State Office Building
in downtown Watertown this
holiday season.

Thank you

to our current and past sponsors,
decorators, and community supporters.
It is through your generosity that A
North Country Festival of Trees has
been a successful event supporting
children's programming and healthcare
services in the North Country
Community, raising over \$1,000,000.
We truly appreciate all that you do for
this community and for our children.

Questions about the event?

Please contact us at
donations@shsny.com
or 315-785-5745.

**November 28 -
December 7, 2025**

We invite sponsors to decorate their own
trees. We also have a variety of volunteer
decorators who are ready and willing to
help decorate if you prefer to have us
match a decorator for your
sponsored tree.

Space is limited! The deadline is
November 3rd to be included in
promotional materials.

Secure your space today at
samaritanhealth.com/festivaloftrees
or return the enclosed form.

For more information, contact us at
donations@shsny.com or call
315-785-5745.

**A Season of Giving:
Supporting Families and Saving Lives**

Since 2002, the Samaritan Medical Center
Foundation of Northern New York and the
Watertown Family YMCA have proudly come
together to host A North Country Festival of
Trees—a cherished holiday tradition that brings
joy, connection, and community spirit
to the season.

Thanks to the generosity of our supporters, this
festive event raises essential funds that truly
make a difference. Proceeds help ensure that
every child has access to Watertown Family
YMCA memberships and programs, regardless
of financial circumstances. With your continued
support, we're breaking down barriers—so every
child has the chance to learn, grow, and thrive.

In addition to supporting youth programs, your
contributions also help expand access to critical
healthcare in our region. A portion of the funds
will go toward Samaritan Medical Center's new,
state-of-the-art Cardiac Catheterization Lab,
equipped with lifesaving Percutaneous Coronary
Intervention (PCI) capabilities. This means patients
can receive rapid, effective treatment for heart
attacks and other serious cardiac conditions—right
here in Watertown.

No longer will families have to travel far in
emergencies. This project fills a vital gap,
improving outcomes, reducing costs, and
ensuring that quality care is available close to
home for generations to come.

Thank you for being part of a community that
gives back with heart. Together, we're building a
healthier, stronger North Country.

The deadline is November 3rd
to be included in
promotional materials.

Thank you for your support.
